

Oh the places we'll GO!

Commit to the Lord
whatever you do, and He
will establish your plans.
Proverbs 16:3

The Lex specialty Clinic 2026 theme is Oh, the Places We'll Go! God has been so faithful in our first 40 years, and we are prayerfully looking forward to all He has for us in the next 40 years and beyond.

We would like to invite you to partner with us during our Baby Bottle Campaign in reflection of Sanctity of Human Life month. Sanctity of Human Life Sunday (SOHLS) is a day set aside to be reminded of the preciousness of all human life; from pre-born to the elderly. This is a wonderful way for families and the faith community to become better educated on the issues, while providing Lex Specialty Clinics with the continued privilege of bringing compassion, help and hope.

Your gift allows us to provide invaluable services, without the help of government funding. Some FREE services we provide are:

• Pregnancy testing • Limited OB ultrasound • Pregnancy options counseling • STI testing and treatment • Post abortion healing • Parenting education programs • Spiritual support
